SIR,

I have the honor to forward herewith letter No.6005 dated 21st January 1911 addressed to you by the Excise Commissioner together with the enclosed Proposition and Reappropriation Statements duly verified. The proposition is to increase the number of Probationary Inspectors from 6 to 10. The financial effect of the proposition is a net increase of Rs.180/- per mensem or Rs.2,160/- per annum to the permanent recurring expenditure of the State.

2. Government in their No.Fl.9243-54/S.R.145-06-1 dated 15th June 1907, while passing orders on the possibilities of retrenchment in the Excise Depot, directed, amongst other retrenchments, that a reduction ~~a reduction~~ should be made in the ~~electrical~~ clerical staff of the Excise Commissioner and of the Districts, to the extent of about Rs.4,000/-. Far from there being any reductions in the directions mentioned by Government, proposals are now being received for increases to establishment. Some of which, viz., in the pay of Vottumutsaddies have been already sanctioned; and some others, viz., the increase to the strength of the clerical establishment of the districts, and the increase on account of the entertainment of

SIR,

With reference to the correspondence ending with this office letter No. 8947, dated the 21st April 1908, I have the honor to renew the proposal contained in Mr. Purnaiya's letter No.424, dated the 5th March 1906, for the entertainment of 4 more Probation-ary Excise Inspectors, for the marginally noted charges.

1. Honnali.
2. Tumkur.
3. Tiptur.
4. Mysore City.

2. Viewing these Taluks from an Excise point of view I must say that Honnali abounds in Lambani Thandas who, it need not be said, are the habitual illicit distillers whose nefarious practice cannot be put down unless the opposing force is stronger both physically and by investment of power under Chapter VIII of the Regulation to afford readier means of bringing them to justice. The Tumkur and Tiptur Ranges as at present constituted appear to be anything but satisfactory. The former comprises the whole of Tumkur and Sira Taluks while the latter extends over the whole of Tiptur and Chicknaikanahalli Taluks including the Sub-Taluk of Turvekere. No man as an executive working subordinate can be expected to do justice to his work with such an extensive area under him with heavy date tracts wherein the annual number of trees licensed amounts to over 25000 trees in each place.

Excise Commissioner in Mysore.

To

Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

In reply to your letter No. 4850/S.R.128-10-2, dated 17th March 1911, enquiring in the matter of the proposal to entertain 4 more Probationary Inspectors whether a corresponding reduction can-not be shown elsewhere in the Excise Department, I have the honor to request you to bring to the notice of Government the increased responsibilities devolving upon the Departmental officers, in view of their duties in connection with the Excise Revenue of their - - charges. The existing staff being unable to compete with the work required to safeguard the above revenue by systematic prevention of offences affecting the same, and which fact was personally observed and carefully studied by me in my detailed tour in the Tumkur Dis-trict in December last, I was convinced that the staff now proposed should be prayed for and obatined in the interests of the State - - Revenue. I have not proposed any menial and clerical establishment for the 4 Probationary Inspectors intending to depute these from the existing staff and thus have kept the scale submitted for sanction at the lowest possible cost.

2. Mr. Purnaiya, in the letter quoted, has agreed to the reduc-tion in the number of Assistant Inspectors, only to meet the cost for the extra 4 Probationary Inspectors proposed by him, saying that the

the work of the number so absorbed will be distributed among the others. I, however, beg to state that circumstances have greatly changed since the letter was written and that the duties and res--ponsibilities of the Assistant Inspectors have considerably increased and that no reduction should be contemplated without interfering with the good quality of the work of the Department, which may - indirectly affect the Excise Revenue.

3. I have, therefore, to request that very early orders may be obtained sanctioning the proposed scale.

SIR,

SR 128-10-3

I have the honor to refer to Mr. Sparkes' letter No. 7645, dated the 25/27th March last asking sanction to the entertainments of four more Probationary Inspectors for the more efficient working of the Department in the Taluks of Honnali, Tumkur and Tiptur and in the City of Mysore The proposal was first submitted by the late Mr Purnaiya and followed up in due course by Mr. Sparkes The work in the charges for which the additional men were asked was such as could not be adequately met with by one man however able and energetic and during the short space of time that I have been here I have been convinced so also

2. The source from which the additional expenditure could be met in the Budget was pointed out last year but as no orders were received the amount lapsed. In the current year's Budget the expenditure is shown under its proper head and I beg that early orders of Government may be obtained sanctioning the proposal.

3. I may add that the extra establishment proposed was kept within the smallest limit possible consistent with the efficient supervision of Departmental work and the safeguarding of our revenue.

I have the honor to be,
Sir,
Your most obedient servant,

The Excise Commr considers that departmental supervision is not adequate in the ranges ~~referred~~ referred to above, regard being had to the importance of the Mysore city, the existence of large date tracts in Tiptur and Tumkur ranges and the fact that illicit distillation is ~~by~~ by resorted to on a large scale by the Lambanis near Honnali.
